NOTIFICATION.

Colombo, October 10, 1917.

No. 55.—In exercise of the powers delegated to him under section 34, sub-section (1) of the Income-tax Act, II of 1916, the Governor in Council prescribes the following rules for the imposition of penalties under section 35, sub-section (1) of the said Act:—

(1) The officer who is responsible for the collection of income-tax should keep a list showing the dates on which each instalment of tax, whether imposed by himself or by another officer, falls due.

(2) Where the collecting officer is not the same as the assessing officer, the former should, in any case in which an instalment is not paid on the due date, advise the latter on the day succeeding the due date of the fact that it has not been paid.

(3) Failure to pay the first instalment renders the whole tax due at once.

(4) On receipt of information of failure to pay any instalment, the assessing officer should issue to the assessee, through the collecting officer, a notice in the form attached, imposing a penalty of one per cent of the tax due and warning the assessee that, if the whole amount due is not paid within twenty days, a second penalty, ten times the amount of the first, will be imposed. Unless the tax has been paid in the meanwhile, the collecting officer will forward this to the assessor. If it has been paid, he will return it to the assessing officer.

(5) In any case in which persistent default is made, the assessing officer will call upon the assessee to show cause why there should not be imposed such penalty not exceeding the amount of the tax due as he may deem fit.

(6) Penalties are imposed for the purpose of expediting collection and not as punishments. It is not necessary to impose penalties after payment of the tax even though the payment has been delayed.

(7) The Collector of the district may award or reduce any penalty imposed by himself or by any officer subordinate to him.

NOTICE.

You have not paid the sum of Rs. _____ being the first instalment of income-tax due by you for the year _____ on the due date, viz., _____ in accordance with the notice of assessment sent to you on _____. You are requested to take notice that in consequence of your default the whole amount of the tax has now become due and that in addition a penalty of Rs. _____ has been imposed upon you. You are further warned that, unless the whole amount due (Rs. _____) together with the said penalty is paid within twenty days from the date of this notice, a further penalty of ten times the penalty now imposed will be levied and that in case of persistent default the Act provides for the levy of a penalty equivalent to the whole tax.

SUPPLEMENT TO PART II

THE FORT ST. GEORGE GAZETTE

No. 48.]

MADRAS, TUESDAY EVENING, OCTOBER 26, 1937.

[Part II, 4 p.m.]

AUDIT ORDER OF THE MADRAS POSTS AND TELEGRAPH CO-OPERATIVE CREDIT SOCIETY (LIMITED).

The accounts of the Madras Posts and Telegraph Co-operative Credit Society, Limited, No. 1451 for the Co-operative year ending 30th June 1937 have been audited by M.B. Ry. T. S. Subramanian, Aggar Aravali, M.A., B.L., Public Accountant and Auditor. He has issued the usual three statements, (a) Receipts and Disbursements in the year, (b) Profit and Loss account for the year and (c) Balance sheet on the 30th June 1937.

2. There was increase of transactions all round as shown below. The paid-up share capital of members rose from Rs. 6,600-0-0 to Rs. 23,000 and the borrowings by way of deposits from members and non-members from Rs. 28,768-6-0 to Rs. 51,550-0-0. With the increase of the working capital the funds extended to members in the shape of loans also proportionately increased. A sum of Rs. 21,820-14-8 in 1,604 loans was disbursed during the year against Rs. 22,000-0-0 in 1,215 loans in the previous year. At the end of the year a sum of Rs. 28,710 was outstanding against members of which a sum of Rs. 2,545 was overdue.

3. During the year under review the society earned a net profit of Rs. 1,457-4-8. One-fourth of the net profit, Rs. 364-10-0 should, under by law 25, be carried to the credit of the Reserve Fund. The money earned Rs. 23-10-10 on interest on the accumulated reserves and the same was credited to the Reserve Fund account in the end of the year. The society is therefore requested to remit only Rs. 330-10-0 to the Madras Central Union Bank, Limited, for being invested therein. The balance of the net of the profits is available (i) for distribution as decided to the shareholders on their paid-up share capital at a rate not exceeding 5 per cent, (ii) for the payment of bonus and dividends provided for in clauses (a) and (b) of by-law 25 and (3) for the payment of fund not exceeding 7½ per cent of the net profit. Should there be a balance left after meeting the above charges it should also be carried to the credit of the reserve fund.

4. The society is doing excellent work. The members of the Board of Management are to be congratulated for the continued success of the institution.
